

7th National Conference on Primary Immunodeficiency Diseases

Theme: Adult PID and Autoimmunity in PID

February 9-11, 2024

Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow

Friday February 9, 2024: Workshop on tests for PID			Maya, Aparna (TBC)
Saturday February 10, 2024			
8.30-9.00 AM	Registration		
9.00-10.30 AM Symposium on adult primary immune deficiencies			
9.00-9.20	Overview of adult PID	Rudrapan Chatterjee	
9.20-9.45	Common variable immunodeficiency: commonest PID in adults	Umair Bagair	
9.45-10.15	Lung involvement in antibody deficiencies	Sudhir Gupta	
10.15-10.30	Inauguration	VM Katoch, Former DG ICMR Director & Dean SGPGI Sudhir Gupta, FPID, USA Amita Aggarwal, Sagar Bhattad	
10.30-10.45	Tea Break		
10.45-11.15	IKAROS associated diseases	Sergio Rosenzweig (USA)	
11.15-11.35	Lymphopenia in adults	Mukesh Desai (TBC)	
11.40-12.10	Sudhir Gupta Oration Towards a Molecular Taxonomy of Human Immune Variations Dan Kastner		
12.10-13.10	Free paper presentation (6 papers (7+3)10 minutes each)	Judges: Manisha Madkikar	
13.10-14.00	Lunch with poster viewing		
14.00-14.30	Poster round		
14.30-17.30	Symposium on genomics in IEI		
14.30-15.30	Interesting cases with mismatch between phenotype and genotype		
15.30-15.45	Tea Break		
15.45-16.45	Debate: Genotype or phenotype first for IEIs For the motion: 15.00-15.20 Against the motion: 15.20-15.40 Rebuttal: 15.40-15.45 Audience participation: 15.45-15.55 Voting and remarks by chairperson	Sagar And Vignesh	
16.45-17.15	Case based VUS resolution and how to validate	Troy Torgerson	
17.15- 17.30	Rapporteurs report		

7th National Conference on Primary Immunodeficiency Diseases

Theme: Adult PID and Autoimmunity in PID

February 9-11, 2024

Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow

17.45-18.45	General body meeting
19.00	Cultural program
20.00	Dinner

Sunday, February 11, 2023			
Symposium on chronic inflammatory diseases in ICI			
9.00-9.30	Immune dysregulation and autoimmunity	Troy Torgerson , Director of Experimental Immunology at the Allen Institute for Immunology Seattle, USA	
9.30-10.30	Panel discussion on autoinflammatory disease	Dan Kastner, Dhanya Mohan	Moderator: Deepti Suri
10.30-10.45	Tea Break		
10.45-11.05	Complement associated autoimmunity	Liza Rajsekhar	
11.05-11.25	First hundred PID transplants:	Revathi Raj	
11.25-11.50	PID transplant in adults	Neena Kapoor	
12.50-13.10	Free paper presentation X 4 papers		
13.10-14.00	Lunch		

Sunday, Feb 11, 2024 (2.00-5.00 PM) (Basic introduction to PID for postgraduates & GP)			
2.00-2.20 PM	Overview of Immune system	Biman Saikia	
2.20-2.40 PM	When to think of ICI in a child with respiratory symptoms: Case based discussion	Anju Gupta	
2.40-3.00 PM	When to think of ICI in a child with diarrhea: Case based discussion	Ujjal Poddar	
3.00-3.20 PM	When to think of ICI in hematological disease: Case based discussion	Neeta Radhakrishnan	
	Q and answer		
3.35-3.55 PM	When to think of ICI in rheumatic diseases: Case-based discussion	Sujata Sawhney	
3.55-4.10 PM	When to think of ICI in syndromic diseases: Case based discussion	Geeta Govindrajana	
4.10-4.30 PM	Lab diagnosis of ICI	Manisha Madkaikar	
4.30-5.00 PM	Quiz	Rakesh Pilania
