

7th National conference of Indian Society of Primary Immune Deficiency

Themes: IEI in adults & autoinflammation in IEI

February 9-11, 2024

Department of Clinical Immunology & Rheumatology
Sanjay Gandhi Postgraduate Institute of Medical Sciences
Lucknow

We welcome you to come and enjoy the fun of clinical Immunology and what immunodeficiency diseases have taught us. The field of IEIs is growing at rapid pace due to advances in genomics and Immunology.

Though all major topics of immunodeficiency diseases will be discussed, there will be sessions dedicated to PID diseases in adults and autoimmunity in PIDs. Besides the main conference a workshop on screening tests for PID and case-based learning session for PGs will be also held. The meeting should interest postgraduates in Pediatrics and Medicine, fellows in clinical Immunology and Rheumatology, basic scientists in Immunology besides the members of the ISPID.

The meeting will be held in the 550 acres sprawling green campus of SGPGI, Lucknow.

We are waiting to welcome you at the meeting
